CIR/17/18-19

Dear Parents,

Greetings to you!

We complete two months of school and it is time for us to focus on evaluating all that the children have comprehended and learnt in these months.

Assessments have been an integral part of our learning system. Assessing the child frequently as and when a new concept is taught helps us in evaluating the progress of the child. We would now like to go ahead with the first Periodic test for the year 2018-19. The Time Table, the Portion list and the schedule for the assessments (for the pen and paper unit only) grade wise/subject wise has been attached along with this note.

Assessments will begin from Monday the 6<sup>th</sup> of August, 2018 and will go on upto Tuesday the 14<sup>th</sup> August, 2018. The school functioning hours will remain the same and post their assessments children will be involved in revision in class. Kindly note no absenteeism or special request for re-test will be entertained.

Best regards,  
Tattva School
