

CIR/15/18-19

Date: 13th July, 2018

Dear Parents,

Greetings to you!

We complete a month of school and it is time for us to focus on evaluating all that the children have comprehended and learnt in these months. We thank you dear parents for the trust placed in us.

Assessments have been an integral part of our learning system. Assessing the child is an ongoing process at School. We would now like to go ahead with the first Periodic Test for the year 2018-19. Accordingly, the dates for the assessment have been scheduled. We share these dates with you as a part of our learning support from parents. We will along with a formal testing pattern also assess children on their progress through these weeks apart from an assessment and evaluation of their portfolios. The portion and the schedule for the assessments (for the pen and paper unit only) grade wise/subject wise has been attached along with this note.

Assessments will begin from Monday the 23rd of July, 2018 and will go on upto Friday the 27th of July, 2018. The school functioning hours will remain the same and post their assessments children will be involved in revision in class. Kindly note no absenteeism or special request for re-test will be entertained.

Wishing all our children All the Best for their forth coming examinations.

Best regards,

Tattva School

Principal
