Dear Parents,

Greetings to you!

I take this opportunity to share with you a thumbnail sketch of Tattva School based in Kumbalgodu, Bangalore.

Tattva School is one of the many schools under the parasol of Pearson Schools and has in this academic year set on its path of providing quality education. The School offers classes from Grade Nursery to Grade 10. The School is a co-educational School.

Tattva School has an exclusively designed programme for the School and also brings in the classroom experience in each classroom. Classrooms are equipped with interactive devices and e-learning content for all grades. This content helps the teacher in making the classroom very engaging and interactive. The School also offers an array of sporting facilities apart from extracurricular and co-curricular facilities to children.

PEARSON SCHOOLS

In its vision of building leaders for a better tomorrow, the School strongly believes in tapping young talent at an early stage and accordingly has under the array of leadership training programmes the formation of the School Cabinet. The School Cabinet would partner with the teachers and the School in the everyday functioning and decision making of the School thus grooming leaders for tomorrow.

In this context, we take this opportunity to invite you dear Parents on the Investiture Day scheduled on Saturday, 6th July 2019. We request you to grace this occasion and encourage these young leaders of tomorrow.

Timings: 9.30 a.m. to 12 noon.

We look forward to your presence.

Thank you,

Yours faithfully
