Dear Parents,

Greetings from Tattva School!

At Tattva School, our mission is to nurture the 21st century future ready learners and global citizens who take on challenges with true leadership spirit, an innovative and entrepreneurship mindset.

Parent-school partnership is crucial towards making this learning journey an enriching one for our students. We are indeed fortunate to be associated with you parents who are always willing to encourage, collaborate, and support us in all our endeavours.

We appreciate the time taken to provide us with valuable feedback on the Academic Year 2021-22. We acknowledge your suggestions towards making the Academic Year 2022-23 an exciting and fun-filled one for our students.

It is our constant endeavor to make the teaching learning experience in school a memorable one. At the outset, we are happy to share with you a few of our initiatives planned for the forthcoming year which will collectively provide a holistic learning experience for our students.

1. We are **recruiting additional teachers for the new academic year** to ensure uninterrupted learner engagement
2. All teachers, both existing and new, will undergo **intensive training** to ensure seamless and effective classroom teaching. The trainings will include modules on, Classroom Management, Pedagogical Strategies, Multiple Intelligences, Bloom's Taxonomy, Lesson Planning and maintenance of records as directed by the CBSE and other in-house initiatives
3. In order to bridge the learning gaps of the students, **we have initiated the Bridge Programme in March-April months**. However, a staggered bridge programme will be conducted in both the terms with a focus on re-teaching, reinforcing and testing the key concepts across subjects and grades. Writing practice will also be a key area of focus during the Bridge Programme.
4. Superior quality of classroom delivery will be ensured through **regular observations, monitoring and feedback**.

5. A world class Athletic track is being laid in school and Padmashree Anju Bobby George will act as our sports consultant who will coach our students in Athletics. Besides, we will also **collaborate with Edusports to provide basic skills training as part of structured PE**. The school will also organize **after school coaching programme** for all our students in identified sports and games based on the available infrastructure
6. **Innovation lab activities** will be conducted for **developing scientific temperament and yardstick activities** to provide extended learning experience for our students.
7. English Language Enrichment Programme(**ELEP**) and Math Centre of Excellence(**MCE**) programmes, various clubs and life skills to cater to holistic learning and grooming for their life ahead
8. **Subramaniam Academy of Performing Arts (SaPa)** will conduct **Music** classes while trained **artists** will conduct **Art and Dance** sessions to provide students scope for creative expressions.
9. The **activity planners** and the **academics planners** will be shared every month and the pictures of these activities and other relevant details are available on **Neverskip**.

We promise to start the new academic year with a new rigour, renewed energy and resolve to fulfill all that has been planned for our students. Our inspiring educators will work tirelessly towards helping the students explore their capabilities, unleash their talent and be better performers both inside and outside classrooms.

While wishing the children all the best for the year ahead, we look forward to your continued collaborative and constructive engagement with school so that collectively, we will help our students in reaching greater heights.

All the information on everyday activities will be shared on the class broadcast groups and the teachers can be reached out for clarity required further. Let us work together to provide to our children roots to grow and wings to fly!

With best regards
