

Dear Parents,
Greetings from Tattva School!!

World Environment Day celebrated on 5th June is the biggest annual event for engaging in positive environmental action. This year's host Canada chose the theme- 'Connecting People to Nature'- in the city and on the land, from the poles to the equator. The theme implores us to get outdoors and to nature, to appreciate its beauty and its importance, and to take forward the call to protect the Earth that we share.

We, at Tattva are happy to announce the CCA competitions for the month of June 2022. With these activities, our aim is to provide all the children, an opportunity to showcase their talent and engage themselves in activities organized to create awareness. This competition comprises Literary and cultural activities.
