Dear Parents,
Greetings from Tattva!

"We make a living by what we get, but we make a life by what we give." - Winston Churchill

Tattva school has an active community service club with well-defined activities to instill sensitivity and compassion to the plight of the less privileged, to create ecological awareness and the dignity of labour. Students are encouraged to participate in varied social work activities throughout the year such as donating to under-privileged, working with the mentally and physically challenged, working with the labour class, campus gardening, tree-planting, paper recycling and waste management to name a few.

We are delighted to inform you that we have adopted an orphanage and old-age home. We have come up with a theme for each month. The current month theme is **"Personal Hygiene"**. We request everyone to donate items assigned as per your grade.
