Dear Parents,

We believed we could do it and we did!

Heartiest congratulations to the students, parents, and teachers for the AISSE Results. (Grade X, batch 2021-22)

The last couple of years have gone have been as unpredictable as could have been! To say the least, it was marred by challenges, doubts and uncertainties. However, our collective resolve ensured that we stayed on course and led our students on the path of excellence. It is indescribably encouraging and gratifying to see our students surmount all the challenges and emerge triumphant. At the same time, the painstaking commitment of the teachers surely needs to be acknowledged.

These spectacular academic achievements would not have been possible without the able leadership and expertise of our School heads, Regional Lead Academics- Ms Mamatha Rao and Head Mistress Ms Shwethashree.

While we celebrate and appreciate the effort of our senior school teachers, I will take this opportunity to also thank the Coordinators and teachers of the junior grades who laid a strong foundation in academics and instilled the values for life.

Thank you, once again, for your continued support and encouragement. We would like to, once again, reaffirm our commitment to raising the bar a notch higher!

Regards,
Head Mistress,
