From the Principal's Desk

I am elated to share that our Grade X children have made us proud again! 53 students appeared for the exam in 2024-25 and we have 32 distinctions and 4 students scoring centums in Information technology! These children have done extremely well in other subjects too. Kudos to the team which worked very hard in order to get good results for the school.

This feat urges the senior school team at Tattva to raise the bar and aim for positions at the state and National levels. Needless to say, the team has been working really hard towards portion completion alongside conducting Unit tests and monitoring students' progress.

The school reopened this year too with a new hope to build more numbers, with an intent to deliver the best to our students and collaborate effectively with the parents so that we provide complete justice to the commitment we have made to ourselves, focussing on holistic development of our children and grooming them to become Global Citizens. At this juncture, I would like to acknowledge and appreciate the support extended by you in all our endeavors.

This year too the team will work with a lot of new rigor and enthusiasm. The books have changed but the Activities, important days and events have been celebrated as usual. ASE awards and investiture ceremony were held in school and the cabinet members have assumed their responsibility.

I am also proud to share that 23 of our Grade XII students will be appearing for XII boards this year. The students have also been working very hard to fair well in the exams and make their alma mater proud. We need all your good wishes and support.

Otherwise, Art, Dance, Music and Sports is going on as planned. After school sports coaching has started and a bunch of new teachers have replaced the old ones and they have been trained well and inducted into the system. Innovation, SAPA, Taekwondo and Abacus clubs are working as usual.

The Monthly planners have been shared with you to track your wards' progress. Reach out to us for support if any. I will share more updates in the subsequent newsletters!

ACTIVITIES

Leaf Printing Prep I & II

Creativity and Imagination: Leaf printing encourages children to explore different arrangements and patterns, fostering their imagination and creative expression.

Fine Motor Skills: The process of gathering leaves, applying paint, and printing requires precise hand movements, strengthening fine motor skills.

Nature Appreciation: Collecting and using leaves from nature fosters an appreciation for the natural world and its beauty.

Crumpling - Prep I

Fine Motor Skill Enhancement: Tearing and crumpling paper strengthen small hand muscles, aiding in pencil grip later in development. Improves Concentration If you think that tearing & crumpling paper into tiny bits is a simple task, let us tell you that it requires a lot of concentration when a child tears & crumples paper.

Sponge Painting - Prep I

Sponge painting requires children to grasp and manipulate a sponge, applying pressure to transfer paint, which strengthens small muscles in their hands and fingers. Children engage with the texture of the sponge, the feel of the paint, and the visual impact of the created art, stimulating their senses.

Bomb Mock Drill

Tattva school successfully conducted a bomb mock drill to raise awareness about emergency preparedness and student

ACTIVITIES

safety. The drill was carried out with discipline and seriousness, with students and staff promptly following all safety protocols.

To further enhance understanding, a skit was presented by the students of Grade VIII 'A' & 'B', creatively showcasing the correct response during such emergencies. Their performance highlighted the importance of staying calm, following instructions, and helping one another during critical situations.

The event was an important step toward building a more safety-conscious school environment, and students participated with great enthusiasm and responsibility.

Yellow Day Celebration Preprimary

The Preprimary Wing celebrated Yellow Day with great enthusiasm on 19th June 2025. The day aimed to highlight the brightness and cheerfulness of the yellow colour. The celebration began with the school prayer, pledge, word of the day, and thought for the day.

Children looked delightful in various shades of yellow and brought yellow-coloured objects from home, making the day truly vibrant. Adding charm to the event, the little ones wore sunflower-themed headgear, radiating happiness and energy.

Fun-filled activities were conducted to enhance learning through play. To make the day even more special, each child received a beautifully decorated yellow crown as a keepsake—bringing smiles and lasting memories of the joyful Yellow Day celebration.

ACTIVITIES

Paper Tearing Nursery

Children created a stunning piece of art by adhering the tiny, cut pieces of yellow paper to the mango's outer edge. They learnt that the mango is known as the King of Fruits through this activity. Additionally, they understood that mangoes have a large seed inside and are yellow in colour. Kids improve their hand strength and finger coordination by pasting and gluing small pieces of paper. This fun activity helped improve their fine motor skills, hand-eye coordination, and creativity. It also gave them a sensory experience as they touched and worked with different materials. Overall, it was a joyful and educational experience for them!

Drawing Sunflower & Decorating Crown

Children were encouraged to draw a sunflower. Drawing encompasses a wide range of cognitive, physical, and creative skills. These include developing fine motor skills, improving hand-eye coordination, decorating fostering creativity, self-expression.

SPECIAL ASSEMBLY

Father's Day

On 12th June 2025, our school conducted a special assembly to celebrate Father's Day. The program began with the school prayer, pledge, word of the day, and thought for the day. Father's Day is a time to honor and appreciate fathers for their love, care, and support. It is a special occasion to thank them for everything they do for their

SPECIAL ASSEMBLY

families. As part of Father's Day-theme competition was organized. The children sang a beautiful Father's Day song and shared a few heartfelt words about their fathers, making the celebration memorable and meaningful. Nursery children colored a tie, Prep I students decorated paper ties using various decorative materials, while Prep-II students drew and decorated ties creatively.

International Yoga Day

On 26th June, Thursday, we joyfully celebrated **International Yoga Day** with our tiny tots, filled with great enthusiasm and unity. The event was a grand success, bringing together students, parents, teachers, and non-teaching staff to embrace the spirit of health, harmony, and mindfulness through yoga.

The day began with a special assembly that included a brief introduction highlighting the importance of yoga in our daily lives and its role in promoting both physical and mental well-being.

A **Common Yoga Protocol session** was conducted under the guidance of a trained yoga instructor. Parents and students participated enthusiastically, performing various asanas (yoga postures), pranayama (breathing exercises), and simple meditation techniques with dedication and discipline. The presence of parents alongside their children made it a truly heart-warming experience of community bonding and shared wellness.

Overall, the celebration helped raise awareness about yoga as a physical, mental, and spiritual practice that originated in India. Today, yoga is embraced in different forms

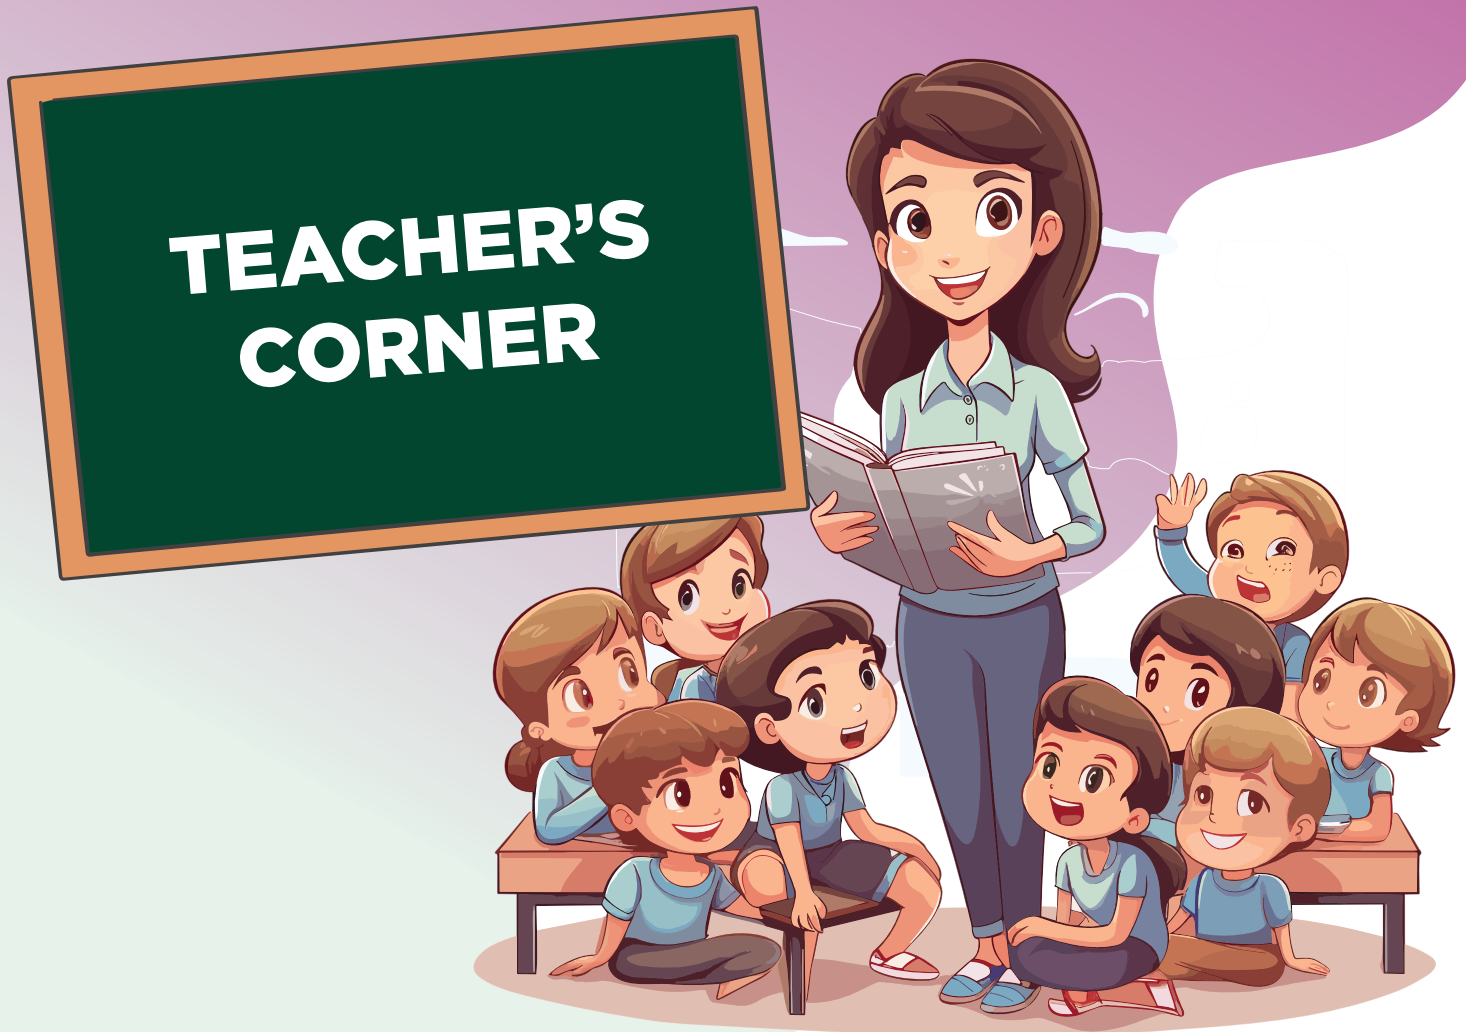

SPECIAL ASSEMBLY

across the world and continues to grow in popularity for its many benefits.

The event left everyone refreshed, energized, and inspired to include yoga as a part of their daily routine.

I Chandana M. S. joined Tattva on 6th June 2025. It's quite a short period but the experience and knowledge I have gained is unforgettable.

School has provided a platform for all the teachers to explore themselves to teach in their own creative manner and on other path we have supportive principal ma'am who guide us in each and every path. One of beautiful Infrastructure, labs, greenery and supporting staffs which makes us feel happy and enthusiastic to come to school everyday and give our best to the kids in creative minds.

Thank you Mamatha Rao ma'am (principal) for giving me this opportunity to serve in your institution and being part of your Tattva family.

Class Teacher - Prep II**

PARENT'S CORNER

I am a mother of two kids, both are studying in Tattva. My elder son is in Grade V and my younger daughter is in Prep II. When a child comes in a stage of toddler, it is little important for the parent to find out a right school for them. I am a mother of a special child, my son Yajat, and I took a right decision at that time to put my child in Tattva, when he don't even know how to talk n walk easily. They not only care for him but always help him improving his strength and supporting him in his studies. I am so grateful to this school that has shaped my child to what he is today. Because of that I took my next decision for putting my daughter in Tattva. It's so lovely to see my daughter coming home from school in such a happy, upbeat mood everyday and enjoying telling me about her day. A very heart felt thank you to all the members of Tattva (including principal mam, teachers and all staff members).

- Ms. Ranjana Singh,
Parent of Lakshitha Singh - Prep II

ACHIEVEMENTS

Congratulations!

We are proud to share that Sai Rithvik has secured a Bronze Medal in the Road - 10,000m Points Race at the National Ranking Championship held in Kolkata from 19th to 23rd June. He competed in the 15-18 years boys category and brought laurels to our institution with his commendable performance.

Well done, Sai Rithvik!

STAR OF THE WEEK

Star of the Week is one of the best ways to get to know our students on a more personal level. Students feel distinct for a full week, which encourages classroom community.
